

DECLARATION AND POWER OF ATTORNEY

We, Carl R. NICOLIA, Joseph TRIPODI, Douglas R. WROBLEWSKI and Robert J. BURNHAM declare:

We are citizens of the United States of America and residents of Erie, Erie County, Pennsylvania; Erie, Erie County, Pennsylvania; Wattsburg, Erie County, Pennsylvania; and Conneautville, Crawford County, Pennsylvania, whose post-office addresses are 5223 Clinton Street, Erie, Pennsylvania 16509; 633 Tindall Avenue, Erie, Pennsylvania 16511; 10855 May Road, Wattsburg, Pennsylvania 16442; and 21994 State Highway 18, Conneautville, Pennsylvania 16406, respectively.

We believe ourselves to be the original, first and joint inventors of the improvement entitled "Grease Removal System" which is described and claimed in United States Patent Application No. 10/809,188, filed March 25, 2004.

We have reviewed and understand the contents of the specification, including the claims.

That this application claims the benefit of earlier filed United States Provisional Patent Application No. 60/464,489 filed April 22, 2003, United States Provisional Patent Application No. 60/457,206 filed March 25, 2003 and United States Provisional Patent Application No. 60/500,399, filed September 5, 2003.

That, as to the subject matter of this application which is common to said provisional patent applications, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said provisional patent applications; or in public use or on sale in the United States more than one year prior to said provisional patent applications.

That said common subject matter has not been patented or been made the subject of an inventor's certificate before the date of said provisional patent applications in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to said provisional patent applications.

That the first filed application for patent or inventor's certificate on said invention set forth in said provisional patent applications filed by us or our legal representatives or assigns in any country foreign to the United States is: none.

As to the subject matter of this application which is not common to said provisional patent applications, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention or more than one year prior to the date of this application; or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said provisional patent applications has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invention set forth in this application filed by us or our legal representatives or assigns in any country foreign to the United States is: none.

We acknowledge our duty to disclose information of which we are aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a), including matters as occurred between the filing date of our said provisional patent applications and the filing date of this application.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Frederick B.
